INDEX 1985

GAS WORLD

a Benn pub

FOR MANAGEMENT IN TRANSMISSION, DISTRIBUTION AND UTILISATION

INDEX TO
Vol. CLXL
Nos. 4793-4804
JAN-DEC 1985

A

Aardenne, Gijs Van — Vegin fights rise p4 Jan
Able Fluid Products — Butterfly range p34 Jan
Able Fluid Products — Variable-area flowmeters p27 Feb
Accomet PC — Preventing corrosion of transmission pipes p9 Apr
Acoustic Technology Ltd — How to cut plant down-time p8 Jun
Acoustics and Environmetrics — Facing uncertain Fuel Future p25 Mar
Aeromatic Industrial Ltd — All-purpose Heating p25 Mar
Aerogen Co Ltd produced 2 page leaflet describing burner and combustion control systems — burner controls p33 Dec
Aerogen — Aeroger heaters p3 Mar
AGM, Institution of Gas Engineers — IGE Annual General Meeting p10, 11, 12 Jul
AGCO Unicell — Soft Seat Valves — Valves Feature p23 Apr
AGCO Unicell — Range of miniature valves and manifolds p35 Jan
Alexander Wright & Co — Gas industry logging device p10 Dec
Alexander Controls — Design Service offer p3 Jul
Algeria gives Brazil fuel — Algeria gives Brazil fuel for thought on LNG deal p8 Aug
Algeria — Sonatrach award Engineers India $2 mill contract p10 Jun
Algeria reduce gas supplies to Spain — Spanish penalty p6 Apr
Allam Generators Ltd — Smooth Power Supply reduces weld problems p14 Oct
Allison Engineering Ltd — Reverse-buckling bursting disc p32 Sep
Allison Gas Turbines — US coal turbines p4 Jan
Amberg, West Germany — Gas-driven heat pump uses river for heat source p6 Jan
Amco & Associates — New concept valves solve over-pressure problems p12 Nov
American Gas Association — Natural Gas Reserve p8 Aug
American Gas Association reveals rate increase granted to Natural Gas utilities dropped — Rates Slipping p5 Sep
American energy savings saves them billions — US savings show the way p3 Oct
American Exploration Co — AEC exploration p5 Apr
American Gas Association — US demand for gas continues to rise p7 Feb
American gas utilities — Energy Conservation needs Sophisticated Marketing p26 May
Analysis Automation Ltd — Rugged test for efficiency p10 Dec
Analyser Control — New analyser announced p28 May
Andrews Industrial Equipment — Water in store p26 Mar
Anglian Water — Costs foul sewage gas scheme p3 Dec
Antwerp Gas Terminal (AGT) — AGT stands ready to supply EEC markets p12, 13 Feb
Anti-Freeze system for Water-seal gas holders — Creation of a standard anti-freeze system for water-seal gas holders p10 Sep
Anopur — Constant gas supplies from Anopur anaerobic system p9 Jul
AnodeFlex pipeline — Raychem AnodeFlex gives uniform cp along pipe length at low cost p6 May
Appliance Components — CH Control p38 Jun
Appliance Components — Compensation component p30 May
Applied Automation of America — Measuring the values of gas p9 Feb
Appliance Components — CH Programmer p32 Jan
Apollo Fire Detectors Ltd — UV Flame detector for outdoors p31 Aug
Aran Energy plc — Post-tax profit p3 Jun
Arco Oil — Gas fields get £200m OK p2 Feb
ARC Southern — Avent lays 11km p2 Feb
Argentina — Argentina invests $1.4 bill for home and expert demand p14, 15 Jul
Armalloy Ltd — Armalloy castings p24 May
Arpet Group — BGC buys Arpet gas reserves p3 Jun
Asia — Natural Gas p5 Sep
Asian Development Bank — Asian Development Bank end 3-week visit to Pakistan with a view to the second phase of the Pirkoh gas project p6 Oct
Asian Development Board — Bangladesh to double gas supply by 1990 p6 Mar
Association for Conservation and Energy — US savings show the way p3 Oct
Atlantic Richfield — Chinese wildcats p6 Mar
Auld — Technical scope of valves p32 Jan
Austin-Rover — After years of negotiations Austin-Rover sign contract p43 Nov
Automation Incorporated — Radic speeds data collecting p10 Dec
Australia — Europe groans as Aussies enjoy cheap gas p8 Nov
Australia — Doubts over $A10 bill Australian LNG project p5 Mar
Australian gas deal goes ahead — Major Australian move as gas deal goes through p5 Sep
Australian Gas Association — Hands off, say Aussies p5 Dec
Australian Gas Light Co — Moombas, South Australia to Sydney gas pipeline begins immediately p6 Oct
Australian LNG project — Doubts over $A10 bill Australian LNG project p5 Mar
Australian liquefied natural gas — Japanese buy Australian gas p6 Feb
Australia — State Energy Commission builds 170 km pipeline p10 Jun
Autumn Meeting — The Autumn Meeting back from the brink, The Battison View p26 Jan
Avent E W Ltd — Avent lays 11km p2 Feb
Avent E W — Avent contract p2 Mar
Avent E W Ltd — Avent's SK deal p4 Apr
Avon Lippiatt Hobbs — New ideas boost productivity and safety of live insertion p10, 11, 13 Oct

B

Ball Valve — New Ball Game — Valve Feature p22 Apr
Balston Type SMC Stainless Steel Filter Cartridges — special filters allow gas samples at temperatures up to 1,000 deg. C p8 Dec
Bangladesh Government obtain finance to develop its onshore natural gas resources — Key programmes get go-ahead for development of Bangladesh gas fields p16, 17 Sep
Bangladesh — France provided Bangladesh with natural gas loans p10 Jun
Bangladesh double gas supply — Bangladesh to double gas supply by 1990 p6 Mar
Battery operated vans — Electric freight vans now on long-term BGC trials p18 May
Battelle Memorial Institute — CJRI developing gas engine for residential heat pump p12 Jun
Battelle — Bimetallic tubes are being tested p8 Jul
Battelle — Optical studies on pulse combustors will yield scale-up criteria and design data p13 Nov
Battelle — Compatible seals and inhibitors p12 Nov
Battelle Columbus Laboratories — Battelle extends testing facility p9 Jul
Battelle Memorial Institute — Producing clean fuel gas from wood products p9 Mar
Battison, Geoffrey — Under the rainbow p24 Apr
Battison, Geoffrey — Life begins at fifty — The Battison View p24 Apr

GAS WORLD

INDEX 1985

Beau Design FloRad — Low Temperature but high comfort p26 Mar
BGC's press conference — Nothing to declare, Battison View p24 Sep
BDC Developments Ltd — New barriers stretch to fit p10 Dec
BDM Corporation — Two-year project on Eastern USA shale deposits p9 Feb
BP Petroleum Development — BP test first well in North Sea p4 Jun
BP Gas — Natural gas grows as primary energy source p5 Oct
BP — BGC eyes Isle of Grain for LNG terminal p3 Aug
BP Engineering — IGE Annual General Meeting p10, 11, 12 Jul
BP Petroleum — BP well success p3 Sep
Beeston Boilers Ltd — Micro boiler system p34 Jan
Belgian — Belgian price rises p9 Jun
Belfast Gas Company — Options run out for the Ulster gas industry p2 May
Bend-a-light — 'Bending' focused light into those inaccessible places p26 Feb
Brierley, Christopher — Two new members join British Gas p3 Feb
BGC's Engineering Research Station — ERS computer quickly selects optimum pipelaying methods p10, 11, 12 Feb
BHRA — Shared funding phases in savings p5 Aug
Bids invited for supervisory control and data acquisition system — Bids invited p7 Nov
Bids to lay proposed gas pipeline — Four foreign firms bid for gas pipeline p6 Oct
Biggs Wall & Co — Biggs Wall lays 4.6 km pipe p9 Oct
Biggs Wall & Co — Biggs Wall wins £10 mill BGC work p2 May
Bimetallic Tubes — Bimetallic tubes are being tested p8 Jul
Black, Sheila — Why does government pay for fuel that is to be wasted? NGCC Forum p28 Apr
Blake, Earl — How PE valves perform in distribution mains p16, 17, 18 Apr
Boilers — Calvacade Moves On p25 Mar
Bollhoff Fastenings Ltd — Economy seal for nuts and bolts p10 Dec
Bord Gais Eireann — BGE studies supply options while boosting gas outlets p15, 16 Nov
Bord Gais Eireann — Millions set aside for new Irish natural gas city links p5 Dec
Bord Gais Eireann — BGE plans takeover of lossmaking Cork Gas p5 Jul
Brazil — Brazilian states seek national gas policy to reduce oil dependency p6 Dec
Brazil imports fuel — Algeria gives Brazil fuel for thought on LNG deal p8 Aug
Brierley, Chris — "Privatisation must free up interventionist bureaucracy" p12, 13 Sep
Brighouse Gas Centre — Negas opens gas centre p34 Jun
British Gas sponsor International Rugby — The Gas Challenge — The Battison View p20 Aug
British Gas Golden Flame Award — West Central's flame is golden p2 Oct
British Gas — Low-cost control methods will cut £40m annual leakage bill p28, 29 Dec
British Gas Cares — I never knew you cared p28
British Gas — Which is the right technology for BGC? p19 Sep
British Gas — Flexible approach to cheaper seals needed p8 Sep
British Gas — How much power for Britain's new mega-monopoly? — NGCC Forum p34 Sep
British Gas — BGC flies to the rescue p5 Aug
BGC Helicopters — BGC flies to the rescue p4 Aug
Britannia Gas lpg terminal open — New lpg terminal p4 Oct
British Gas — Micro takes heat out of burner management p14 Oct
British Gas Corporation — Rough is set to meet 10% of peak UK demand p2 Sep
British Gas — Profit slips as British Gas faces privatisation p2 Aug
British Gas — BGC eyes Isle of Grain for LNG terminal p3 Aug
British Gas — British Gas and the 'other woman' — The Battison View p24 Apr
British Gas offshore Rough Storage project — Rough meets gas flow target as peak drilling phase nears p14, 15, 16 Jun
British Gas — BGC task force calls for radical challenge to electricity threat p14, 15 Apr
Brown, R J & Associates — Seabed plow is tested p9 Jun
BGC to buy field stake — BGC to buy 10% field stake in unprecedented gas deal p3 Apr
British Gas — Contractors suffer from pressure on prices and BGC's poor planning p10 Nov
British Gas — Compressors planned to boost southern gas p3 Nov
British Gas — UK has abundant gas — BGC p3 May
Britain has abundant gas supplies — UK has abundant gas — BGC p3 May
Britannia Gas — NFC aims for 5% of UK LPG trade in one year p3 Jul
British Gas — BGC's mole experience could be a benefit to other utilities p22, 23, 24 Jun
British Gas — Westfield explosion: HSE investigates cause p4 Apr
British Gas Midlands Research Station — MRS puts energy saving systems into the high technology market p23, 24 Mar
British Gas film library — Moving pictures, Battison View p18 Mar
British Gas triple size of Hinckley — British Gas plans to triple the size of Hinckley CADD pipeline systems p14, 15 Mar
British Gas — Logging data from Convey's LNG tanks p9 Apr
British Gas — BGC extends "intelligent pig" capabilities to win new users p8, 9, 10, 11 May
British Valve Manufacturers' Association — Valve Makers in Association — Valves Feature p23 Apr
British Gas — High level visits for UK expertise p6 Nov
British Gas — BGC buys Arpet gas reserves p3 Jun
British Gas — Rough and Smooth achievements — Comment p2 Sep
British Gas — Export drive must be more professional — ICS p2 Mar
British Gas — BGC gets first Chinese deal p3 Mar
British Gas Southern Region — 'PuSH' scheme compares supervisors' job costs p4 Feb
British Gas — Morecambe is on p3 Feb
British Gas — Wonderfuel value, The Battison View p26 Jan
British Gas — Rough field ready to deliver p2 Feb
British Gas award Contract worth £10 mill — Biggs Wall wins £10 mill BGC work p2 May
British Gas — Two new members join British Gas p3 Feb
British Gas Corporation — BGC needs light touch on brake and accelerator p23 Jan
British Gas — BGC publishes forecasts to support case for Sleipner p8, 9 Jan
British Gas Corporation — Evans sees blurred supplies outlook but is confident on peak demand and market growth p10, 11, 12 Jan
British Standard Gas Cookers — spreading the word — British is better — Battison View p36 Nov
British Standards Institution — Specification for installation of meters. p3 Jun
Brown, John Associates — Deepwater pipelines p4 Jun
Brown, John Associates — Six-month study into deepwater pipelines p8 Apr
Brown Boveri Kent — Measuring Control p24 May
Brown and Tawse Tubes Ltd — Wavin Gas appoint suppliers p4 Mar
Brown, R J & Associates — Shell expand Leman field p2 Jan
BTR Silvertown — Leak Clamp is effective at pressures of 30 psi p4 Jun
Buchanan-Smith, Alick — Gas fields get £200m OK p2 Feb
Buchan Field — Gas lift recovers more Buchan oil p5 Feb
Budenberg Gauge Co — Making Calibration Simpler, Quicker and Cheaper p31 Apr
Bue Hydra-Lok Ltd — Bue Hydra-Lok pipes taken over p3 Feb
Burma — Burma sees feasibility study as vital to secure project finance p12, 13 Mar
Burners — Facing Uncertain Fuel Future p25 Mar
Burners — Water in Store p26 Mar
Burners — Hot work for the forger p24 Mar
Burners — All-purpose Heating p25 Mar
Burner Systems — MRS puts energy saving systems into the high technology market p23, 24 Mar
Butt Fusion — Technical and economic benefits ensure BGC's commitment to PE p24, 25, 26 Jul
Bursting disc pressure relief valves — Safeguards for Valves in large cylinders p9 Apr

C

Cable Avoiding Tool and Genny signal generator workshop manual — CAT and Genny p32 Jan
Calibrating tester — Making Calibration simpler, quicker and cheaper p31 Apr
Calex Temperature Handbook — Handbook from Calex p38 Jun
Camovin Range — Protective Coatings p38 Jun
Camrex — Protective Coatings p38 Jun
Castings leaflet — Armalley Castings p24 May
Castell Safety International Ltd — Guaranteeing safe valve isolation p9 Feb
Cathodic Protection — Computer link for protection p27 Oct
CDC reverse-buckling bursting disc — Reverse-buckling bursting disc p32 Sep

Central Heating — Emgas gets its share of the central heating market p28 Sep
Central Heating Programmer — CH Programmer p32 Jan
Chalmor Ltd — Manage your energy p30, 31 May
Charterhouse Petroleum — Charterhouse have announced that well L/1-4A in the Netherlands have tested a new gas discovery p5 Dec
Change over valve — Automatic change over valve p34 Jan
China — China gas finds p6 Apr
China to boost natural gas production — Chinese revival p5 Sep
China — Millions benefit in big Chinese switch to gas p7 Nov
China — Piping gas from North China field to Peking p8 Nov
China — BGC gets first Chinese deal p3 Mar
Chinese switch to gas — Millions benefit in big Chinese switch to gas p7 Nov
Chorley Engineering Ltd — Chorley dries out Stratford gas line in 3 weeks p8 Sep
Chubb Fire Security — Chubb Safety p30 Aug
Circular chart recorder — In the charts p29 May
Clayton Thermal Products — Don't blow off steam! p26 Mar
Coal gasification plant in China — Kellog in China p6 Mar
Coal Industry — Mayhem was the pits of the year (Comment) p2 Jan
Columbia Gas Transmission Corporation — Payments for amendments to high-price contracts with natural gas producers p5 Sep
Colwick Instruments — Safety in Hand p30 Aug
Comid Engineering Ltd — Industrial Maintenance p32 Jan
Communication equipment for Southern Gas — On the air for better service p27 Dec
CompAir Industrial Ltd publish brochure detailing their range of air and water coded natural gas compressors — CNG compressors p33 Dec
CompAir Holman air compressor — 14.3 bar is seal test pressure for underground LPG storage p7 May
Compensated Step Controller — Compensation component p30 May
Computer for Wales Gas — Computer-swap operation for all Wales gas data p29 Oct
Computer Management System — Putting a pipeline's life history on to the Computerised Map p8 Oct
Computers — Sales splurge on computers p3 Nov
Computer — Which is the right technology for BGC? p19 Sep
Computers — Segas computerises showrooms p28 Jan
Computerised tools for oil and gas exploration — Epic tools are introduced p13 Nov
Concentric Group — Design service offer p3 Jul
Concrete RS — Concrete for submerged pipelines p27 Feb
Condition Monitoring Development Group — How to cut plant downtime p8 Jun
Conoco — Big gas find in southern North Sea by Conoco p5 Feb
Control Data Corporation — Epic tools are introduced p13 Nov
Controls for domestic appliances — Control company switches strategy in successful fight for market share p14, 15 Sep
Concentric Controls — Control Company switches strategy in successful fight for market share p14, 15 Sep
Cooker Imports — Cheap cooker imports — SBGI strikes back p2 Jul
Cork Gas Co — BGE Plans takeover of loss-making Cork Gas p5 Jul
Cork Gas — Cork Gas money troubles cause fears of collapse p6 Mar
Construction Plant-hire Association — CPA publishes new Year Book p24 May
Consumable inserts and backing rings — Consumable inserts and rings facilitate alignment of pipework for welding p6 Jan
Contraves Industrial Products Ltd — 54-page report p32 Jan
Control Valves — Technical scope of valves p32 Jan
Cook Strait — Reel vessel pipeline for the Cook Strait will slash Government cost estimate p6 Jan
CORGI — Govt only has words for gas safety — Corgi p17 Jan
Corrosion control — Microprocessors harnessed for improved analysis of gas pipeline faults p20, 22 Oct
Corrosion and abrasion protector — Coating for conductor pipes p25 Oct
Corrosion Systems Ltd — Bue Hydra-Lok pipes taken over p3 Feb
CPA Year Book — CPA publishes new Year Book p24 May
Crane-Comid Porta Lathe — Porta-Lathe p32 Jan
Crane Ltd — It's a Relief! — Valves Feature p20 Apr
Crane — Industrial Maintenance p32 Jan
Crowcon Instruments — Crocon's new range alarms p31 Aug
Crowcon Instruments — Gas and vapour detection p30 Mar
Current Peaks — Valves for the GC analyst p38 Jun
Cutting and Bevelling machine — Portable machine cuts and bevels p27 Feb
Cygnus Instruments Ltd — Ultrasonic thickness gauge p32 Sep
Czechoslovakia — More gas finds in Czechoslovakia p6 Feb

D

Danfoss Ltd — Versatile valves — Valves Feature p20 Apr
Danish Gas Industry — Denmark grapples with hurdles to reach 1987 growth targets p12, 13 May
Data Resources Inc — Europe could face gas shortages by 1990s p6 Feb
Deborah Coatings Ltd — Coating for conductor pipes p25 Oct
Deep-water Integrated Production System — £3m study for Esso on West of Shetland deep-water integrated production system p9 Jul
Deep-water pipeline — Six-month study into deep-water pipelines p8 Apr
Denmark — Danish supply rumpus p5 Jul
Denmark Gas Co dry natural gas — Danes try natural gas in the domestic market p10 Jun
Denmark — Kitchen gas fears spark Danish probe p6 Oct
Denmark Oil and Gas Corporation — A fast start as Danes beat target p7 Nov.
DES (Rollason) Ltd — Model air handling unit p5 Aug
'Design, Construction and Operation' — Pipelines for newcomers p38 Jun
Dew Rogerson Ltd — Privatising post p3 Sep
D G Controls Ltd — Zeran beacon has higher peak flash luminance p33 Sep
Disconnection Code — Disconnection Code must remain on privatisation — NGCC Forum p34 Dec
Distrigaz — Distrigaz boosts sales p5 Jul
Dive Supply AS — Agent for life support umbilicals p4 Jun
Domestic Heating Controller — One day at a time p31 May
DOPAS — Well for DOPAS p6 Oct
Dowty Seals Ltd — New gas seals for high pressure systems cut explosive failures p9 Oct
DPA Grease Caps — Preventing corrosion of nuts p34 Jan
Draeger Safety — Breathing apparatus p30 Mar
Draeger — Monitoring for flammable gases p26 Feb
Drayton Controls Ltd — Routines for house heating p10 Dec
Drayton Controls — One day at a time p31 May
Dresser Industries — Glynwed sews up USA deal and extends fittings range p31 Jul
Druck — Measuring pressure p38 Jun
Druck — For transmitting pressures p27 Feb
DSM — Wadden takes pipe p4 Jan
DTI Consumer Safety Units — SBGI welcomes safety p3 Jul
Dublin to Belfast gas pipeline — NI gas industry gets March deadline date p5 Feb
Dubai — LNG export p10 Jun
Dublin Bay — State vetoes Dublin cavern p7 Feb
Dublin gas expands — Dublin gas p9 Jun
Dublin Gas Company — Dublin Gas sees return to profit by '86 but rejigs business planning p16, 17 Aug
Dublin Gas Company — Dublin doubles send-out while NI seeks reprieve p25 Jan
Dungs VDK 300 — Much in Little — Valves Feature p21 Apr
Du Pont (UK) Ltd — Du Pont generates system of fine control p14 Oct
Dunbrik Flues — Dunbrik bring them together p32 Sep
Dundalk Gas — Eire town gas firms will close, says owner p5 Apr
Dutch oil and gas drilling — Dutch exploration p9 Jun
Dutch Market gardeners — Dutch gardeners subsidised — EEC p5 Apr
Dutch Sales up — Dutch sales up p6 Apr
Dutch Gas — Dutch gas consumption p9 Jun
Dutch Gas — Dutch Gas Prices Challenged p5 Mar
Dutch gas corporation — Gasunie gives in on price hike p7 Feb
Dutch Government — Dutch appeal against EEC ruling on gardeners' gas p9 Jun

E

East Midlands gas pipeline — Biggs Wall lays 4.6km pipe p2 Oct
Eastern Gas — Trenchless plough lays 125mm main at 860m per day p25 Dec
Eastern Gas links with Calor Gas — Calor link-up means more choice on appliances p35 Jun
Emgas depot — New £2m depot will mean greater efficiency for Rotherham district p25 Dec
Electrofusion Control Unit — Du Pont generates system of fire control p14 Oct
Energy, US Dept of and Alis-Chambers Corp — Coal gasification evaluation being jointly funded by US Government p9 Dec
ENI — Eni to increase capacity of Mediterranean pipeline if Algeria lower gas prices p8 Nov
Econoflame — Pressing on with old boilers 'a false economy' p4 Oct
Edwards, Rudi — Christmas Card Rudi wins the 'customer care' national competition p28 Sep
Education — Human investment, Battison View p20 Dec
EEC Market — AGT stands ready to supply EEC markets p12, 13 Feb
E C Commission — Garden gas up p6 Feb
Education and Science, Dept of — Engineers told: Go back to School to brush up dated skills p4 Sep
Eire gas firm close — Eire town gas firms will close, says owner p5 Apr

GAS WORLD

INDEX 1985

Eire Government — Eire plans to privatise Limerick gas company p7 Feb
Eire Planning Appeals Board — State vetoes Dublin Cavern p7 Feb
EJ Allen — Interseal proves itself — quick, simple, efficient, cost-effective p44, 45, 47 Nov
Electrolocation Ltd — Electronic locator does the work of four conventional instruments p8 Feb
Electrolocation Ltd — Electrolocation plays CAT and Mouse to track down the moles p9 Aug
Electronic pressure controllers — pressure under control p30 May
Electro-Level — Modulating monitor controls boiler feed water p34 Jan
Electrofusion — Earlier R&D plans could cut moans (Comment) p2 Jul
Electrofusion generator — Smooth power supply reduces weld problems p14 Oct
Electrofusion fittings — Electrofusion fittings ease repair work on mdpe gas pipe p9 Nov
Electrofusion — Technical and economic benefits ensure BGC's commitment to PE p24, 25, 26 Jul
Electrofusion — Electrofusion — the sooner the better, says a user p28, 29 Jul
Electrolocation — The one-man sweeping Genny p35 Jan
Electrolocation Ltd — CAT and Genny p32 Jan
EMGAS — Emgas gets its share of the central heating market p28 Sep
EMGAS redundant compressors — 1000 ton life for two Emgas redundant compressors p18 May
EMU 2 energy management unit — Manage your energy p30, 31 May
Encapsulation Services — Changes bring greater usage — Leakage control p29, 31 Dec
Energy Efficiency Office — Using energy efficiently: The ways and means p12, 13, 15 Dec
Energy Technology and Control — Oxygen overseer p30 Aug
Engineers required to regularly update skills and knowledge — Engineers told: Go back to school to brush up dated skills p4 Sep
Engineering Council — IGE Annual General Meeting p10, 11, 12 Jul
Energy Conservation — Energy Conservation needs sophisticated marketing — NGCC Forum p26 May
Energy, Department of — HSE may urge faster gas mains replacement p2 Feb
Energy, Department of — UK consumes less energy but gas proportion rises p4 Feb
Energy Technology & Control Ltd — ETC plans action against boiler control competitors p10 Sep
Energy Technology Centre — Gas Hydrates Handbook p32 Jan
Engineering Council — IGE involvement in EC moves nearer solution p13, 14 Jan
Energy efficiency — BGC energy program p3 Jul
Energy, Dept of — UK may need more gas imports in 1990s — DOE p3 Apr
Energy, Department of — US coal turbines p4 Jan
Enserch Exploration — Enserch reserves of gas are up 43% p5 Mar
Environment, Department of the — HSE may urge faster gas mains replacement p2 Feb
EMGAS — Emgas prototypes take to the road this year p2 Jan
Erawan gas field — Big Thai platform planned for 1985 p7 Feb
Erskine Systems Ltd — Portable petrol generators to cover all applications at three outputs p26 Feb
ESSO — £3m study for Esso on West of Shetlands deepwater integrated production system p9 Jul
ESL — ESL gets LC8 and Readyseal deal p2 Sep
ETC granted patent rights on their adaptive trim control system p10 Sep
European Commission — Dutch gardeners subsidised — EEC p5 Apr
European Gas Industry imports gas — Uncertainty remains about future of the European gas industry p20, 21 Jun
European Gas Industry — Beyond the fringe — The Battison View p16 May
Europe from Qatar gasline — 4,500 km gasline to Europe from Qatar plan for 1990s p5 Mar
Everclear Ltd — Portable machine cuts and bevels p27 Feb
Ewbank Preece — Total project management p38 Jun
Ewbank Preece Consulting Group — Consulting service p24 May

F

Factory heat savings enter GEM — Government factory heat savings claim place for GEM entry p29 Oct
Failure of seals in high pressure gas systems — New gas seals for high pressure systems cut explosive failures p9 Oct
Fellowship of Engineering and British Gas — Establishment of a senior research fellowship in engineering or technology to be held p3 Nov
FIM gas leak detection — Avent's SK deal p4 Apr
Fires — Creating an Atmosphere p29 Mar
Fires — Direct Answer p29 Mar
Fires — Wall of Fires p29 Mar
Flamtronic — Much in little — Valves Feature p21 Apr
Flare system — Thurley takeover p3 Mar
Flexitallic Ltd — on-site micro-based Ultrasonic monitor fastenings in critical applications p13 Nov
Flow Computer — Lower — Cost Flow Computer for internal accounting p8 Apr
Flow computer — Flow computer measures gas or liquid transfer p9 Mar
Flowmeters — Variable-area flowmeters p27 Feb
Flowmeter — Flowmeters for hazardous areas p27 Feb
Fluor Great Britain — Fluor has won contract for study for Petroleum Development Oman's Lethwair field p8 Nov
Fluoroscopic X-ray — Easy-to-use fluoroscopic X-ray inspection for PE pipe joints
Food production centre — 'Cook-chill' food production centre supplies 26 restaurants p24 Feb
Foxtrot field — Foxtrot finance p7 Nov
Frederick Schoeneweis, E — How PE valves perform in distribution mains p16, 17, 18 Apr
Fuel Control — Fuel Control System will save £57,000 annually p22 Sep
Fuel Poverty — Fuel poverty — and the cash that is readily available p22 Mar
Furmanite — Seal for heat exchanger tubes p22 May
Furness Controls Ltd — pressure transducer has wide application p33 Sep
Furness Controls — Differential Pressure Indicator p31 Apr
Fusion Plastics — Easy-to-use fluoroscopic X-ray inspection for PE pipe joints p8 Mar
Fusion Plastics — Fusion Plastics offers "the biggest electrofusion range" p31 Jul

G

G & A Communications — Radio speeds data collecting p10 Dec
Gord Fusion Products — Gord sees growing demand for electrofusion control boxes p14, 15 May
Garrud winner — JCGA sees future role in education field p23 Jan
Gas-Check gas detector — Concentrating on trace gases p10 Dec
Gas line dried out in 3 weeks — Chorley dries out Statfjord gas line in 3 weeks p8 Sep
Gas on tap — 1600 families to get gas on tap for the first time in Cumbrian development p29 Oct
Gas main replacement programme — Speed gas main renewal after Putney blast — HSE p3 Aug
Gas Research Institute — Ultrasonic device being developed to detect flaws in butt-fusion joints p9 Dec
Gasnet 86 — Exhibition highlight for gas industry p4 Oct
Gas & Oil Industry — Industry giants give quality appraisal role to new company p5 Aug
Gas Ambassador, British Gas exhibition — The right lines, The Battison View p33 Jun
Gas Central Heating in new homes — Good foundation for new housing — The Battison View p20 Aug
Gas Consumers' Northern Council review legal situation regarding the sale of second-hand gas appliances — NGCC Forum p23 Aug
Gas del Estado — Argentina invests $1.4 bill for home and export demand p14, 15 Jul
Gas Measurements Instruments — Safety and efficiency p28 Aug
Gas Imports — UK may need more gas imports in 1990s — DOE p3 Apr
Gas Industry — Industry needs secure supply p3 Jun
Gasnet 85 — Gasnet 85 — Where the industry meets, Comment p2 Nov
Gas provides security in North Sea — Shell looks to rule-bound gas to provide security in risky North Sea p3 Oct
Gas sales increase — Guernsey sales buck the trend p2 Jun
Gas Safety — The Show-me side of gas safety — The Battison View p16 May
Gastyle Ridge Vent Terminal and Aspiromatic — Dunbrik bring them together p32 Sep
Gas Research Institute — GRI developing gas engine for residential heat pump p12 Jun
Gas Sensor — Voltage effect gas sensors p13 Jun

Gas Versus Electricity — BGC task force calls for radical challenge to electricity threat p14, 15 Apr
Gas Chromatography System — Automatic G C System p30 Mar
Gas and Vapour detection — Gas and vapour detection p30 Mar
Gas consumption grows — Gas consumption grows by 4.7% due to Cold Jan p4 Apr
Gas Consumers' Northern Council — Second-hand cookers knock industry reputation p33 Jan
Gas-driven heat pump — Gas-driven heat pump uses river for heat source p6 Jan
Gas Exports — Exports Catch 22 could be tested — Comment p2 Apr
Gas Explosions — The politics of gas explosions p2 Feb
Gas fitters — HVCA saves the day after gas fitter makes a botch-up p38 Nov
Gas Hydrate Properties and Occurrence Handbook — Gas Hydrates Handbook p32 Jan
Gasnet 85 Exhibition — Gasnet 85 Exhibition sells like hot cakes p8 Jun
Gas Leak detection — Leak detection simulator tests responses p9 Apr
Gas Level indicator — LPG level indicator p26 Feb
Gas Monitor — Monitoring for flammable gases p26 Feb
Gas Prices — NBCC maintains pressure for two-part tariff p18 Jan
Gas Publications — Pressing on regardless, Battison View p20 Feb
Gas Safety — Gas Safety — the impossible dream, Battison View p18 Mar
Gas Safety — Temporary enthusiasm must be converted to permanent gains, NGCC Forum p20 Feb
Gas shortages — Europe could face gas shortages by 1990s p6 Feb
Gas Showers — WMG launches shower campaign p20 Mar
Gas Showrooms — Nottingham's new showroom rings up appliance sales p26 Apr
Gas strike — More gas finds in Czechoslovakia p6 Feb
Gasunie Dutch sales up p6 Apr
Gasunie — Gasunie extends exports
Gasunie — Gasunie gives in on price hike p7 Feb
Gate Valve — Large Diameter Duty-Valve Feature p22 Apr
Gaz de France — IGE Annual General Meeting p10, 11, 12 Jul
Gemseal Ltd — Concentrating on trace gases p10 Dec
GEM — Industrial GEM goes to Northern p28 Jan
GEM award — Southern wins commercial GEM award p28 Jan
GEM — Glittering prizes, The Battison View p26 Jan
General Electric Company — US coal turbines p4 Jan
General Monitors Ireland — The Monitor's a General p30 Aug
Glasdon Ltd — P100 pump meets a variety of liquid transfer requirements p26 Feb
Glasgow gas explosion — Ruptured main causes blaze p2 Dec
Glynwed Tubes & Fittings Ltd — Glynwed Sews up USA deal and extends fittings range p31 Jul
Gibbon, Ron — Rough meets gas flow target as peak drilling phase nears p14, 15, 16 Jun
Grayhill Blackheat Ltd — New multizone controller for high roof heating p9 Nov
Graviner — Detecting UV radiation in high-risk premises p8 Mar
Great Lakes Gas Transmission Co — Canada increases gas exports to US p5 Mar
Greenfield, Howard — Leading moves in gas regions p3 Jan
Grid-Pak System leaflet — Grid-Pak system p24 May
Ground-scan — Detecting buried plastic and concrete piping p9 Nov
Guernsey Gas Light Co — Guernsey sales buck the trend p2 Jun

H

Hach/Corle Catalogue — G C applications p38 Jun
Hallamshire Hardmetals tungsten carbide service — Hallamshire Hardmetals p24 May
Hand-held pressure logging device — Gas industry logging device p10 Dec
Hand-held temperature meters — The new family of Jenway meters p32 Sep
Hattersley Newman Hender — Manufacturing for the Market — Valves Feature p21 Apr
Haynes, Tony — How Emgas stays on top of today's challenges p10, 11 Apr
Health and Safety Executive — The politics of gas explosions p2 Feb
Health and Safety Executive — HSE may urge faster gas mains replacement p2 Feb
Health and Safety Executive — Speed gas main renewal after Putney blast — HSE p3 Aug
Heath Consultants Inc — Operator training p36 Aug
Heath Consultants — Odorant — Level Tester p31 Apr
Heath Consultants — Leak detection simulator tests responses p9 Apr
Herd multipoint gas detection system — channels for different gases p10 Dec
Heurtey Industries — Gasification go-ahead p9 Feb
High pressure gas pipelines — Microprocessors harnessed for improved analysis at gas pipeline faults p20, 22 Oct
Holiday Inn — Southern wins commercial GEM award p28 Jan
Hong Kong and China Gas Company — HK profits surge 38% and more growth planned p4 May
Hong Kong and China Gas Co — IGE Annual General Meeting p10, 11, 12 Jul
Hong Kong and China Gas Co profits surge — HK profits surge 38% and more growth planned p4 May
Horizontal ground drilling machine — Horizontal driller leaves the surface undisturbed p9 Nov
Hot tapping — Hot tapping experience counts as much as the hardware p18 Nov
Hotwork International — Hot work for the forger p24 Mar
Houston Natural Gas Corporation — US firm buys $800m network p7 Feb
Houston Natural Gas Corporation — Houston Gas invests $525 mill on pipelines p4 Jan
Huntingdon Fusion Techniques Ltd — Aids to pipe marking p34 Jan
Huntingdon Fusion Techniques Ltd — Variable Chain link clamps p31 Aug
Huntingdon Fusion Techniques — Welding gases saved by flow shield p22 May
Huntingdon Fusion Techniques Ltd — Consumable inserts and rings facilitate alignment of pipework for welding p6 Jan
Hycontrol — Vane-type actuator p26 Feb
Hydrocarbons Ireland Ltd — 60 per cent interest in three blocks acquired p3 Nov

I

ICI Salt Cavity — Salt Cavity Store will hold one-third of daily consumption p43 Nov
ICL — Sales splurge on computers p3 Nov
ICL 'one per desk' computer/telephone — 'one per desk' computer could herald the end of pencils and paper p9 Dec
ICL — Kingston course heads off competition from US, Japan p22 Sep
IGE — The Autumn Meeting back from the brink, The Battison View p26 Jan
IGE — Durable Research — Battison View p36 Nov
IGE Management Course — Making it happen — it ain't what you say! — Comment p2 Oct
IGU predict high growth rate of gas — Gas as world primary energy will show reduced growth after 2000 predicts IGU Task Force p13, 14 Aug
IMI Bailey Birkett — Wellhead to user protection p20 Apr
IMI Service Division — Industrial Maintenance p32 Jan
IMI Yorkshire Imperial Plastics — YIP begins testing the BGC's unpublished specification p32 Jul
Imperial Continental Gas Association — IC Gas report big profit rise p3 Jan
IMP metal detector — Detecting metal p32 Sep
Immersion Heater — Gas-fired immersion heater p22 May
Infra-red Camera — Portable infra-red camera p34 Jan
Institution of Gas Engineers — IGE involvement in EC moves nearer solution p13, 14 Jan
Indonesia, with help from World Bank, convert five cities from manufactured gas to natural gas p16, 17 Dec
India — India flares half its daily output of natural gas p5 Dec
Industrial and Commercial Combustion equipment guide — Heat turned up for sales p4 Aug
International interest — High level visits for UK expertise p6 Nov
International Gas Detectors — Gas detectors for Zeebrugge p27 Dec
International Finance Corporation — Foxtrot Finance p7 Nov
International Conference on Plastic Pipes — Domination of Plastics in the gas industry is set to spread p18, 19 Oct
Interseal — Interseal proves itself — quick, simple, efficient, cost-effective p44, 45, 47 Nov
Innogaz — Trouvay & Cauvin plans UK factory for Innogaz fittings p31 Jul
Iran — Iran lays gas mains p5 Jul
Institution of Gas Engineers — Pembroke delegates go home cheering for more p3 May
Institute of Cryogenics — Cryogenics advice p24 May
Institute of Gas Engineers — IGE Travel award p3 Jan
ISS Clorius — Small can be beautiful p31 May
Intech Engineering — Deepwater pipelines p4 Jun
Intec Engineering — Six-month study into deepwater pipelines p8 Apr
International Gas Detectors — Exporting detection p27 Aug
International Consultancy Service — ICS aims for heights with Pegasus Software p12 Apr
International Colloquium — Marketing breakthrough seen as supplies rise p22 Jan
Internal Sealing — Internal Sealing chosen for 24-inch cast-iron main p12 Jun
Ideal Home Exhibition — Under the rainbow — The Battison View p24 Apr
Ideal Calvacade — Calvacade Moves On p25 Mar
Intelligent Pig — BGC extends "intelligent pig" capabilities to win new users p8, 9, 10, 11 May
International Consultancy Service — Export drive must be more professional — ICS p2 Mar
International Controls Corporation — Flowmeters for hazardous areas p27 Feb
International Energy Industry — Marketing breakthrough seen as supplies rise p22 Jan
Iran — Iran and Turkey in $14 bill deal p5 Jul

GAS WORLD

INDEX 1985

Irish Gas Industry — Bold Irish gas plans put Ulster in the shade p2 Nov
Irish Gas Association — Dublin doubles send-out while NI seeks reprieve p25, Jan
Israel — Israel halts gas p5 Mar

J

JCB — Retail price list for backhoe loaders p5 Aug
JCB ditching bucket — A Welsh riddle speeds up backfill sieving operations p5 Jan
Joint Council of Gas Associations — JCGA sees future role in education field p23 Jan
Jersey Gas — Jersey Gas build new plant p2 Apr
Jenway Ltd — The new family of Jenway meters p32 Sep
Johnson Controls MacLaren Products — Stable flame for new pilot p10 Dec
John E Pantling Associates — Locator puts covers in place p10 Dec
JSL ball valves — New range JSL ball valves p26 Feb
Joint sealing system — PLCS sees new use for Spinseal p22 Oct

K

Kapuni gas field — Kiwis claim a world first for synthetic petrol plant p24, 25 Jan
Kay & Co (Engineers) Ltd — Fitting joint for PE piping — Leakage control p31 Dec
KDG Instruments Ltd publish literature on pressure and flow transmitters — pressure and flow p33 Dec
Kearney & Trecker Marwin — Manufacturing for the Market p21 Apr
Kellog, MW — Kellog in China p6 Mar
Kenmac Controls — Miniature control valve range p30 Mar
Kent Industrial Measurements — In the Charts p29 May
KILnGAS, coal gasification process — Coal gasification evaluation being jointly funded by US Government p9 Dec
King Mains Replacement Programme — Phase one costs £1,200 mill and 13,000 kms more will go by 1990 p10, 11, 13 Mar
Kilkenny Gas — Eire town gas firms will close, says owner p5 Apr
Kinsale Head reservoir — BGE studies supply options while boosting gas outlets p15, 16 Nov
Kinsale Gas — Study revives NI hopes for Kinsale gas line p4 Mar
Kodeco Energy Co — Natural Gas reserves higher p8 Aug
Kodeco Energy Co — More Java Sea gas p6 Mar
Komyo-Kitagawas gas sampling system — Gas sampling system p22 May
Korean Natural Gas Pipeline — South Koreans plan pipeline p6 Apr
KRW Energy Systems Inc — Fluidised-bed coal gasifier research study in USA p5 Jan
KURZ — Mass flowmeters for use in duct centres p34 Jul

L

La Collette gas plant — Jersey Gas build new plant p2 Apr
Lafarge Aluminous Cement Co Ltd — Concrete for submerged pipelines p27 Feb
Landis & Gyr — Warrant agreement for 3 years p4 Jun
Land Infrared Ltd — Portable infra-red camera p34 Jan
Lang, Jeff — JCGA sees future role in education field p23 Jan
Laporte Chemical Plant — Trafalgar House tests BGC supply monopoly p2 Apr
Leak Clamp — Leak Clamp is effective at pressures of 30 psi
Leaking gas joint repair kit — PLCS fills gap in sealant market p4 Aug
Le Bas Tube Company Ltd — Steel tube p32 Jan
Legris — Staple lock valves p34 Jul
Leman field — More platforms for Leman p3 Mar
Leman Gas Field — Shell expand Leman field p2 Jan
Limerick Gas Co — Limerick privatisation veto p4 May
Limerick Gas — Eire plans to privatise Limerick gas company p7 Feb
Liquid Crystals Devices Ltd — LPG level indicator p26 Feb
London Kingsway — Dual alarm for gas leaks p10 Dec
Lordco Australia — Automatic changeover valve p34 Jan
Low-cost control methods — Low-cost control methods will cut £40m annual leakage bill p28, 29 Dec
Low pressure transducer — pressure transducer has wide application p33 Sep
LPS Research Laboratories Ltd — Prevention is better than cure p27 Oct
LPG Terminal — LPG terminal open p3 Nov
LPG — NFC aims for 5% of UK LPG trade in one year p3 Jul
Lummus Crest Inc, subsidiary of Conbustion Engineering Inc — Lummus studies lignite gasification for Greece p9 Aug
Lummus Crest Inc — Lummus Crest p24 May

M

Maester (UK) Ltd — 'Watchman' gas alarm unit p31 Aug
Magnetic valve — Magnetic Expansion — Valve Feature p23 Apr
Mains bursting vehicles — Emgas prototypes take to the road this year p2 Jan
Maintenance Pressure Transmitter — For transmitting pressures p27 Feb
Marathon Oil UK — East Brae
Marathon Brae 'B' — Press wins Brae p3 Feb
Malaysian Gas pipeline — ICS gets on Malay short list p3 Aug
Malaysia — Gas for Malaysia p6 Mar
Manchester Airport will increase its consumption of gas — outdated mains problems overcome as expanding airport sets to treble consumption p43 Nov
Martaban offshore gas — Burma sees feasibility study as vital to secure project finance p12, 13 Mar
Marks, Edwin — ERS computer quickly selects optimum pipelaying methods p10, 11, 12 Feb
Martonair — Flameproof microvalves p34 Jul
Master's course in information systems design — Kingston course heads off competition from US, Japan p22 Sep
Material & Engineering Centre — Voltage effect gas sensors p13 Jun
Maui Gas — Kiwis claim a world first for synthetic petrol plant p24, 25 Jan
Maywick (Hanningfield) — Wall of Fire p29 Mar
McHugh, James — Rough meets gas flow target as peak drilling phase nears p14, 15, 16 Jun
McHugh, James — Phase one costs £1,200 mill and 13,000 kms more will go by 1990 p11 Mar
MDPE gas pipes — YIP begins testing the BGC's unpublished specifications p32 Jul
Mechan Materials Handling — Chainblocks and trolleys p38 Jun
Mechan-Exo chainblocks and trolleys — Chainblocks and trolleys p38 Jun
Merseyside waste site — Waste set to be big earner p3 Oct
Mercer, Dr W Les — Researcher is elected Fellow p4 Sep
Metal Ball and Butterfly valves — Butterfly range p34 Jan
Meters feature p16, 17, 18, 19 Feb
Metering Natural Gas — Continued meter development by the company that has scooped the UK/North Sea market p8 Feb
Methane Gas detector — Improved analysis for detection of 'deep subducted' methane gas p12 Nov
Microcomputer-based burner management system — Micro takes heat of burner management p14 Oct
M & J Valve Division of Daniel Industries Inc — Large Diameter Duty p22 Apr
Mobile workshop — Peart-Pass speeds equipment repairs p3 Oct
Micro-electronic control and monitoring system — Boiler house automation puts the brake on fuel and staff costs p13 Jun
Microprocessor-controlled combustion analyser — Analysis the answer p28 Aug
Microprocessor-controlled system — Amicro in the bed p28 May
Mobil — Wadden takes pipe p4 Jan
Modular compressor station — Compressors planned to boost Southern Gas p3 Nov
Modular Ultrasonic Inspection System — MODUS inspects MCP 01 as it pumps to St Fergus p8 Oct
Mole Technology — BGC's mole experience could be a benefit to other utilities p22, 23, 24 Jun
Moore, R.C. — 54-page report p32 Jan
Morecambe gasfield — New £40 mill pipeline built to take Morecambe Gas p3 Feb
Morecambe field — Morecambe is on p3 Feb
'Mouse' transmitter — Electrolocation plays Cat and Mouse to track down the moles p9 Aug
MPL Pumps Ltd published booklet describing its 'E' range of metering pumps — Metering Pumps p33 Dec
MPL Pumps — 'Q' Range metering pumps p30 Mar
MSA (Britain) Safety Offshore p30 Aug

Multiphase Pipelines & Equipment — Shared funding phases in savings p5 Aug
Multi-Functional gas valves — Quality First p22 Apr
Multizone Controller — New multizone controller for high roof heating p9 Nov
Municipal Capital Construction Commission — New gas plant for Shanghai p6 Apr
Munich — 16th World Gas Conference 1985 p10, 11, 12 Aug
MW Kellogg Ltd — Kelloggs deal is Turkish delight p3 Nov
MW Kellogg — Spanish towns, factories get gas p5 Dec
Myson Group plc — Dual alarm for gas leaks p10 Dec

N

Nacap — Bad debts force Nacap sale p4 Jan
NAM — Wadden takes pipe p4 Jan
National Coal Board's Coal Research Centre — Special filters allow gas samples at temperatures up to 1,000 deg. C p8 Dec
National Coal Board — Waste set to be big earner p3 Oct
National Defence Council Foundation — US call for gas p7 Nov
Natural Gas cheap in Australia — Europe groans as Aussies enjoy cheap gas p8 Nov
Natural gas terminals to provide a Spanish contractor — Spanish towns, factories get gas p5 Dec
National Iran Gas Company — Iran lays gas mains p5 Jul
National Freight Consortium — NFC aims for 5% of UK LPG trade in one year p3 Jul
National Gas Consumers' Council — Anti-macassars, ducking stools and prepayment meters — NGCC Forum p39 Jun
National Gas Consumers' Council — NGCC maintains pressure for two-part tariff p18 Jan
National Industrial Fuel Efficiency Service — Energy manager's handbook p38 Jun
Natural gas — Bold Irish gas plans put Ulter in the shade p2 Nov
Natural Gas pipeline producer contracts need changes — Gas contracts need changes p5 Oct
Natural Gas, kitchen health hazard — Kitchen gas fears spark Danish probe p6 Oct
Natural Gas Policy to reduce oil dependency — Brazilian states seek national gas policy to reduce oil dependency p6 Dec
Natural gas pipeline from Cork to Dublin extended to Limerick and Waterford — Millions set aside for new Irish natural gas city links p5 Dec
Natural Gas Pipeline Company — Canada increases gas exports to US p5 Mar
Naturgas Syd — Danish supply rumpus p5 Jul
NCB and Bio Technica — Ready to supply the LFG market p8 Jun
NCB (Coal Products) Ltd — Mine gas usage helps colliery to cut bill for stand-by oil p5 Jan
NDT Computer — NDT System is portable and computerised p9 Mar
Neotronics — Gas monitors p34 Jul
New action pilot valve — New concept valves solve over pressure problems p12 Nov
NV Nederlandse Gasunie — Export extended p6 Feb
New Zealand — Kiwis claim a world first for synthetic petrol plant p24, 25 Jan
New Zealand — Reel vessel pipeline for the Cook Strait will slash Government cost estimate p6 Jan
NEGAS — Negas opens gas centre p34 Jun
New Zealand's solution to the energy problem — Coalfield probe for Kiwi gas p8 Aug
NICME — Direct Answer p29 Mar
Nissan use gas to heat factory — Nissan go for gas p29 Oct
Nitrogenous Fertiliser Industry SA — Lummus studies lignite gasification for Greece p9 Aug
NKK — A photographic pig for detailed analyses of pipeline conditions p12 Jun
Non-stick plug valve — Introducing the non-stick plug valve p9 Nov
Nordsea Gas Technology — For the energy manager p38 Jun
Nordsea Gas Technology Ltd — Water heater p35 Sep
Nordsea Gas Technology Ltd — Grid-Pak system p24 May
Nordsea Gas Technology Ltd — Gas-fired immersion heater p22 May
North Sea gas fields — Shell-Esso unit to develop small oil and gas fields p4 Jun
North Sea gas — New £40 mill pipeline built to take Morecambe Gas p3 Feb
North Thames Competition — £50,000 prize home to Gaswarm standards p22 Aug
North Thames Gas — Computerised stock handling is proposed for central store p34 Jun
North Thames — Kodak gets the picture p35 Jun
North Thames Gas — Press Construction awarded £7 mill contract p4 Jun
Northern Gas — Why Northern succeeds in face of adversity p16, 17 Oct
Northern Gas — Fuel control system will save £57,000 annually p22 Sep
North Thames Gas — Pleased to meter you p20 Mar
North Thames Gas — 'Cook-chill' food production centre supplies 26 restaurants p24 Feb
North Thames safety award — Essex team wins the North Thames safety award in regional competition p28 Jan
North Thames Gas — Wonderful Value. The Battison View p26 Jan
North Thames Gas — NT plans new grid controls p2 Jan
North West Gas — 125mm pipe coils help Liverpool to notch up another 'first' p43 Nov
North West Gas — North West leads in safety p28 Sep
North West Gas — Wonderful mince pie marathons p20 Mar
North West Shelf Gas Project — NW Shelf gas shows benefits p5 Apr
North West Gas — Leading moves in gas regions p3 Jan
Northern Gas — Industrial GEM goes to Northern p28 Jan
Northern Gas — 1,600 families to get gas on tap for the first time in Cumbrian development p29 Oct
Northern Ireland gas industry — NI gas industry gets March deadline date p5 Feb
Northern Ireland — The Music Stops for Ulster's gas — Comment p2 May
Northern Gas install central heating in 400 homes p25 Dec
Northern Ireland — Study revives NI hopes for Kinsale gas line p4 Mar
Northern Ireland — Dublin doubles send-out while NI seeks reprieve p25 Jan
Norway — BGC publishes forecasts to support case for Sleipner p8, 9 Jan
Norwegian Ekifisk — Philips test gas from North Sea p3 Jan
Nova Scotia — Nova Scotia's Venture Natural Gas Project has been shaken by a well p5 Dec
NT build pipeline — NT buids 1,500 km pipeline p10 Jun
NV Nederlandse Gasunie — Gasunie extend supply to Belgium until 2010 p6 Apr

O

Odorant Tester — Odorant-Level Tester p31 Apr
Oil and Gas Development Corp — Commercial gas field discovered p8 Aug
Oil and Gas in Siberia — Soviets pinpoint oil and gas beneath Siberian snows by using chemical analysis p9 Dec
Oil and Gas Industry brochure — Total project management p38 Jun
On-site microcomputer-based monitor — On-site micro-based ultrasonic monitor fastenings in critical applications p13 Nov
Osaka Gas Company — IGE Annual General Meeting p10, 11, 12 Jul

P

Packaged foundry gas burners — Package burners reduce downtime p9 Oct
Pakistan — Pakistan has reserve of 17 trillion cubic feet of natural gas p5 Dec
Pakistan — Gas producer price formula p8 Aug
Pakistan, self-sufficiency — Pakistan study p6 Apr
Pakistan — Government build gas-based fertilizer plant p10 Jun
E Pass & Co Ltd — Syddal continues p3 Mar
E Pass & Co Ltd — Peart acquires assets of Pass and starts rationalisation p5 Feb
PC Computers Ltd — New meter sheds old measuring limitations p14 Oct
Peabody Oil Division — Chemical rust solvent p26 Feb
Peart-Pass — Peart-Pass speeds equipment repairs p3 Oct
Peart-Pass Pipeline Products — Busy exporting times ahead for Peart-Pass pipeline products p16, 17 Mar
Peart acquires Pass — Peart acquires assets of Pass and starts rationalisation p5 Feb
Peart Group — Peart acquires assets of Pass and starts rationalisation p5 Feb
Peking Gas Co — Peking gas on tap p8 Aug
Pegasus software — ICS aims for heights with Pegasus software p12 Apr
Pembroke College — Pembroke delegates go home cheering for more p3 May
Perrymatics — Creating an Atmosphere p29 Mar
Petrobangla — Petrobangla call for international tenders for design and supervision of gas pipeline p8 Nov
Petrobras find gas in Amazon — Brazil strikes gas reserves p10 Jun
Phillips Petroleum (UK) Ltd — Phillips complete testing the 30/7a-4A Judy well p3 Nov
Phillips Petroleum (UK) Ltd — Phillips test gas from North Sea p3 Jan
Phoenix Burners — On the buses p28 Mar
Pict Petroleum — Pict claim to have reached a balance between tax-assessable income and tax deductible expenditure p3 Nov
Pilot burners — Stable flame from new pilot p10 Dec
Pipeline Industries Guild — Pipelines for newcomers p38 Jun
Pipeline book — PIG puts 4 years' work into new pipeline book p20 Jan
Pipeline Inspection Pig — A photographic pig for detailed analyses of pipeline conditions p12 Jun
Pipe flow shields — Welding gases saved by flow shields p22
Pipeline Industries Guild — PIG puts 4 years' into new pipeline book p20 Jan
Pipe Threading machine — Turbo for pipe threads p27 Feb

GAS WORLD

INDEX 1985

Plastics and Rubber Institute's — Domination of plastics in the gas industry is set to spread p18, 19 Oct
Plastic Pipes — Technical and economic benefits ensure BGC's commitment to PE p24, 25, 26 Jul
PLCS — PLCS sees new use for spinseal p22 Oct
PLCS — PLCS fills gap in sealant market p4 Aug
Plumett Limited — Cable feeder development will cut costs of PE pipeline insertion p8 Jul
PMI pneumatic actuator — Valve modulation actuator has electronic controller p9 Feb
Pont-A-Mousson — Butterfly range p34 Jan
Polyethylene Pipe — Cable feeder development will cut costs of PE pipeline insertion p8 Jul
Portable Computer — On-site NDT reports are quicker with Portable Computer system p8 Apr
Portable Detector — Safety and efficiency p28 Aug
Portable petrol generator — Portable petrol generators to cover all applications at three outputs p26 Feb
Portable trace oxygen analyser — Trace oxygen analyser is portable p22 May
Powermatic — Heater courses p3 Mar
Premaberg — Ricwil suppliers p3 Mar
Prepayment Meters — Antimacassors, ducking stools and prepayment meters p39 Jun
Pressure Indicator — Differential Pressure Indicator p31 Apr
Press Construction — Contractors suffer from pressure on prices and BGC's poor planning p10 Nov
Press Construction — Southern Gas p3 Jun
Press and Entrepose — New pipeline as Breakwater closes p4 Mar
Press Production Systems — Boosted production capacity p5 Aug
Press Production Systems — Press wins Brae p3 Feb
Pressure Regulators — Technical scope of valves p32 Jan
Privatisation — Sir Denis sets out his stall p2 Aug
Privatisation — Profit slips as British Gas faces privatisation p2 Aug
Privatisation — Making a virtue of a necessity p23 Jul
Privatisation — Into privatisation? p33 Jun
Privatisation — National Consumers' Council Forum p35 Jul
Privatisation — Privatisation will not end government control p2 Jun
Privatisation for Limerick Gas Co — Limerick privatisation veto p4 May
Privatisation for BGC — Privatisation Bill — still much to play for — Comment p2 Dec
Privatisation — Privatisation — the flavour of the month — Comment p2 Jun
Probert, William — Two new members join British Gas p3 Feb
Process Computing — Computerised Stock handling is proposed for central store p34 Jun
Process control equipment — Multi-role system p27 May
Production and Export of lng — Thailand gas venture hits a snag over concession pricing p5 Oct
Producing gas from wood — Producing clean fuel gas from wood products p9 Mar
Project to run vans and tankers on methane gas generated from sewage has been dropped — Costs foul sewage gas scheme p3 Dec
Propylene refrigerating unit — Refrigerating units which process refinery waste p12 Nov
Pulse combustors — Optical studies on pulse combustors will yield scale-up criteria and design data p13 Nov
Public Utilities — PUSWA review: Utilities must do reinstatements p2 Dec
Pump P100 — P100 pump meets a variety of liquid transfer requirements p26 Feb
Putney gas explosion — Putney: A suitable case for treatment? — The Battison View p24 Sep
'PuSH' — 'PuSH' scheme compares supervisors' job costs p4 Feb
Pye Telecommunications — On the air for better service p27 Dec
Pyrere Chemical Services — Preventing Corrosion of transmission pipes p9 Apr

Q

Qatar General Petroleum Corp — 4,500 km gasline to Europe from Qatar plan for 1990s p5 Mar
Qatar Government — Qatar government to renew negotiations with Turkey on pipeline to transport gas p5 Sep
Quality Appraisal Service Co Ltd — Industry giants give quality appraisal role to new company p5 Aug

R

Radiant Heating System — Low Temperature but high comfort p26 Mar
Radiant Superjet Ltd — Package burners reduce downtime p9 Oct
Radiant Systems Technology — Radiating Confidence p28 Mar
Radio data transmission system — Transmitting data by two-way mobile radio p18 May
Raffinerie de Cressier SA — Refrigerating units which process refinery waste p12
Ranco — Reversing valves p32 Jan
Ranger Oil (UK) — Ranger's North Sea find p4 Aug
Ratfisch Instruments appoint Hut Combustion as UK agents — New agency p27 Aug
Raychem — Raychem AnodeFlex gives uniform CP along pipe length at low cost p6 May
Raychem — Raychem uses conductive polymer to join plastic gas pipes p15 Oct
Raychem — Rayseal sleeves achieve limited acceptance from British Gas p7 May
Raychem Limited — Raychem links sleeves to fusion power packs p3 Jan
Rayseal leak repair system — Rayseal sleeves achieve limited acceptance from British Gas p7
Rayseal — Raychem links sleeves to fusion power packs p3 Jan
Rayleigh Instruments — Pressure under control p30 May
RCF Tools PLC — 'Bending' focused light into those inaccessible places p26 Feb
RCM Consulting Services — 54-page report p32 Jan
Readyseal — ESL gets LCS and Readyseal deal p2 Sep
Reconditioned gas cookers — Second-hand cookers knock industry reputation p33 Jan
Reel vessel pipeline — Reel vessel pipeline for the Cook Strait will slash Government cost estimate p6 Jan
Relief valves — It's a Relief! p20 Apr
Rentokil Ltd — Insulation p35 Sep
Research and Development — Pool research and development says BGC p3 Jul
Resina Chemie — Special insulation system keeps offshore gas warm p9 Aug
Rexnord Gas Detection Products — Life insurance p30 Aug
Richard Klinger Ltd — Alternative for asbestos — Leakage Control p31 Dec
Ricwil piping systems — Ricwil suppliers p3 Mar
Ridge Tool UK — Pipe tools p35 Sep
Ridge Tool Co — Copper tube expander p34 Jul
Robert Frazer & Sons Ltd — Detecting metal p32 Sep
Robotic Arc Welding — Robotic Welding p30 Mar
Robinson Willey — Calvacade Moves On p25 Mar
Robvan — Consumable inserts and rings facilitate alignment of pipework for welding p6 Jan
Rockwell International — Introducing the non-stick plug valve p9 Nov
Rockwell International — How PE valves perform in distribution mains p16, 17, 18 Apr
Rosemount Doric — Logging data from Canvey's LNG tanks p9 Apr
Rolls-Royce win orders worth £7 million — Rolls purrs on more platforms
Rooke, Sir Denis — Sir Denis sets out his stall p2 Aug
Rough-field — Rough is set to meet 10% of peak UK demand p2 Sep
Rough storage field — Rough field ready to deliver p2 Feb
Royal Boskalis Westminster — Bad debts force Nacap sale p4 Jan
Rust Solvent — Chemical rust solvent p26 Feb

S

Sable Gas Systems Ltd — Sable gas to build, own and operate natural gas pipeline p8 Nov
Sabre Gas Detection Ltd — Gas sampling system p22 May
Safety of installation — Come to us and talk, you safety conscious gasmen p31 Oct
Safeguard Consumer rights — Gas consumer bcdy sets out 'privatisation' aims p5 Aug
Salamander Engineering Ltd — Sperryn's outlets p3 Feb
Saxon Control Gear — Paladin among switches p29 May
Safety Valves — Technical scope of valves p32 Jan
Sahlins Clydesdale Ltd — Horizontal driller leaves the surface undisturbed p9 Nov
SBGI Kitemark — Pulling strings for the British Cooker — Battison View p20 Dec

SBGI/JAC claim £10 mill of equipment stolen every year — SBGI/JAC chase £10 mill contractors' plant theft p2 Oct
SBGI call for legislation on gas cookers — cooker safety law call by SBGI p4 Oct
SBM Radiant Heating — Radiation under control p28 Mar
Scientific Surveys Ltd publish handbook on pipelines, digital maps and computers — Digital Maps p33 Dec
Scottish Gas — West Central's flame is golden p2 Oct
Scottish Gas — Antimacassor, ducking stools and prepayment meters — NGCC Forum p39 Jun
Scottish Gas runners-up — Six Scots are runners- up in international tourney p35 Jun
Scott George B — Leading moves in gas regions p3 Jan
Seals — Flexible approach to cheaper seals needed p8 Sep
Segas — Segas computerises showrooms p28 Jan
Segas install SRMS computer system — Project Control System has far wider capabilities for Segas p20 Sep
Segas update telemetry system — Multi-user operating plan offers expansion p21 Sep
Segas logs its 1000th user onto EMAIL — Electronic mail speeds messages, saves paper p22 Aug
Segas Service Contract Campaign — Service Contract Contest lifts sales by 22 per cent over year p22 Aug
Segas — Segas: Growth Continues — but there's still scope for improvement p20, 21 Jul
Segas — Segas modernises its busy reprographics bureau p20 Mar
Seal-lock locking nuts — Economy seal for nuts and bolts p10 Dec
SEMA Ltd — Channels for different gases p10 Dec
Sension Systems — Transmitting data by two-way mobile radio p18 May
Serck Glocon — Actuator Announcement — Valve Feature p23 Apr
Serck Audco Valves — Valve catalogue p24 May
Serck Audco Valves — New range JSL ball valves p26 Feb
Servomex — Analysis the answer p28 Aug
Servomex — New analyser announced p28 May
SGS Sonomatic Ltd — MODUS inspects MCP 01 as it pumps to St Fergus p8 Oct
Shanghai gas plant — New gas plant for Shanghai p6 Apr
Shell UK Exploration and Production — Rusty piping gets brush-off p27 Dec
Shell — Shell LPG Company p9 Jun
Shell-Esso — Shell-Esso won approval to develop Narea p3 Nov
Shell take over LPG autogas — Shell LPG Company
Shell-Esso — Shell-Esso unit to develop small oil and gas fields p4 Jun
Shell UK — Shell looks to rule-bound gas to provide security in risky North Sea p3 Oct
Shell UK — BGC needs light touch on brake and accelerator p23 Jan
Shell — Shell expand Leman field p2 Jan
S.I.T. Gas Controls Ltd — Quality First — Valve Feature p22 Apr
Sibex (Constructions) — On-site machining p24 May
Sieger TPA Ltd — On-line analysers p35 Sep
Signal Instruments Co — Gas analysis and blending technology p3 Jun
Siteplot 400 — On-site NDT reports are quicker with portable Computer System p8 Apr
Silverdale Colliery — Mine gas usage helps colliery to cut bill for stand-by oil p5 Jan
Singapore buys natural gas for Malaysia — Singapore increases piped gas supplies to homes and looks to buy Malaysia's natural gas p40, 41 Nov
Skarpenord Corrosion A/S — Computer link for protection p27 Oct
Sleipner gas field — BGC publishes forecasts to support case for Sleipner p8, 9 Jan
Sleipner gas — Let's play hunt the 6.3 tcf (Comment) p2 Mar
Sleipner gas — New UK finds replace the Sleipner contract p3 Mar
Sleipner — Evans see blurred supplies outlook but is confident on peak demand and market growth p10, 11, 12 Jan
Society of British Gas Industries — Sydkraft meet SBGI members p5 Feb
Society of British Gas Industries — Cheap cooker imports — SBGI strikes back p2 Jul
Society of British Gas Industries — More co-operation could boost export drive p3 Jun
Society of British Gas Industries — Heat turned up for sales p4 Aug
Society of British Gas Industries — SBGI welcomes safety p3 Jul
Society of British Gas Industry — SBGI pledges to adopt higher profile for 1985 p14, 16 Jan
Software For Selling Ltd — BGC energy program p3 Jul
Soft-Sealed instrument valves — Soft seat valves — Valves Feature p23 Apr
Solartron Transducers — Flow computer measures gas or liquid transfer p9 Mar
Solartron — Lower-cost flow computer for internal accounting p8 Apr
Solartron — Continued meter development by the company that has scooped the UK/North Sea market p8 Feb
Solid State Sensor for monitoring H_2S — sleepless system p27 Aug
Solar Turbines Inc — US coal turbines p4 Jan
Sona-test — NDT System is portable and computerised p9 Mar
Southern Gas — Encouraging local business in Dorset p34 Jun
Southern Gas — Southern wins commercial GEM award p28 Jan
Southern Gas — After years of negotiations Austin-Rover sign contract p43 Nov
Southern Gas — Mounting demands stress need for additional storage capacity p14, 15 Feb
South Korea — Yukong Ltd starts construction work p10 Jun
South West Gas — Double service contract success in Torquay p34 Jun
South West Gas — Stowalift will take some of the backache out of exhibitions p35 Jun
South West Gas — Old Truro works will be Cornwall gas centre p24 Feb
Sovereign Gas and Oil — Gas prospects flare as doubts over oil grow p6 Nov
Soviet gas pipeline held up — Crusty problem for Soviet project p6 Oct
Soviet managers sacked — Soviets sacked p5 Apr
Soviet Union — Turkey and Soviet Union seek bids for Turkish portion of USSR-Turkey gas pipeline p6 Oct
Soviet Union — Soviets pinpoint oil and gas beneath Siberian snows by using chemical analysis p9 Dec
Soviet Union — Soviet lines plan p8 Nov
Soviet Union laid 42,000 km of oil and gas pipelines — piping steppes up p8 Aug
Soviet Union — World's longest gas pipeline p8 Aug
Spain — Spanish penalty p6 Apr
Speedaire — Hang the Heat p29 Mart
Sperryn and Co — Sperryn's outlets p3 Feb
Staefa Control System (UK) Magnetic Expansion — Valve Feature p23 Apr
Statpipe System — Statpipe system delivers early p6 Apr
Stelrad — Gas-fired boilers p8 Jun
Stelrad — Stelrad launches condensing boiler p4 Apr
Stelrad — Calvacade Moves On p25 Mar
Steel pipeline contract — Avent contract p2 Mar
Steve Vick Ltd — New ideas boost productivity and safety of live insertion p10, 11, 13 Oct
Stewarts & Lloyds Plastics win South American pipe order — Chile order for S&L Plastics p50 Nov
Stewarts & Lloyds Plastics — S&L aims to consolidate leading pipe producer role p32 Jul
Stonefield — A micro in the bed p28 May
Storage-Diurnal space — Mounting demands stress need for additional storage capacity p14, 15 Feb
Stowalift half-tonne tail-lift — Stowalift will take some of the backache out of exhibitions p35 Jun
Stratfjord Field — Statpipe system delivers early p6 Apr
Submarine pipeline plow — seabed plow is tested p9 Jun
Sui Northern Gas Pipelines Ltd — Bids invited p7 Nov
Sui Transmission Co — British and Japanese companies awarded one billion Yen contract to supply national gas refining plant p8 Nov
Sulzer — Constant gas supplies from Anopur anaerobic system p9 Jul
Summersgill, Keith — Why Northern succeeds in face of adversity p16, 17 Oct
Syddall Engineering — Booklet ends size arguments — Leakage Control p31 Dec
Syddal Engineering Ltd — Syddal continues p3 Mar
Sydkraft — Sydkraft meet SBGI members p5 Feb
Synthetic petrol plant — Kiwis claim a world first for synthetic petrol plant p24, 25 Jan

T

Taiwan — Chinese Petroleum Corp p10 Jun
Tate's pipecleaning unit — Rusty piping gets brush-off p27 Dec
Tanzania get loan for gas exploration — World Bank's International Development Association p5 Sep
Techmation — Valves for the GC analyst p38 Jun
Techmation — GC applications p38 Jun
Teleductor Ltd — Safeguards for valves in large cylinders p9 Apr
Telegon — Mind that boiler p27 Aug
Temperature Control Valves — Versatile valves — Valves Feature p20 Apr
Texaco confirm discovery of natural gas and oil in China — China Sea find p7 Nov
Texas Eastern Engineering — Pipeline technology and environmental management businesses in Norway p5 Sep
Texas Pacific Oil — Subsidiary sold p5 Apr
Thailand — Petroleum Authority builds LPG separation plant p10 Jun
Thailand and Japan — Thailand gas venture hits a snag over concession pricing p5 Oct
Thailand Petroleum Authority — Thai millions go on offshore gas p5 Sep
Thailand — Thailand doubles gas supply p6 Feb
Thalassa Advanced Technologies Ltd — Putting a pipeline's life history onto the computerised MAP p8 Oct
Thorn EMI Electronics — Test and measurement p38 Jun
Thorn EMI Heating — Domestic central heating p5 Aug
Thorn EMI Heating — Radiator Leaflet p30 Mar
Thurley International — Thurley takeover p3 Mar
TI New World — Built-in kitchen p3 Nov
TI New World claim cookers being sold in UK are unsafe — Government putting lives on the line, claims cooker manufacturer p3 Dec
Time-Switches — Paladin among switches p29 May
Tokyo Gas Co — pleased to meter yen p20 Mar

GAS WORLD

INDEX 1985

Tokyo Gas Co — Tokyo meters for China p5 Jul
Tokyo Gas Engineering Co — Tokyo meters for China p5 Jul
Tokyo Electric Power Co — Japanese buy Australian gas p6 Feb
Totalflow radio communications system — Radio speeds data collecting p10 Dec
Total Oil Marine — Alwyn North field
Tour and Andersson — New Ball Game — Valve Feature p22 Apr
Tracor Atlas — Sleepless system p27 Aug
Trans Canada Pipelines — Canada increases gas exports to US p5 Mar
Transwestern Pipeline Co — Houston Gas invests $525 mill on pipelines p4 Jan
Trenchless plough lays polyethylene piping — Trenchless plough lays 125 mm main at 860 m per day p25 Dec
Tourvay & Cauvin — Trouvay & Cauvin plans UK factory for Innogaz fittings p31 Jul
Tube Investments — IGE Annual General Meeting p10, 11, 12 Jul
Tucker Fasteners Ltd produced leaflet on the 'Parabolt' Metal Detector — Metal detector p33 Dec
Turnbull Control Systems — Multi-role system p27 May
Turbine-powered lng plant — Aussies set tight deadline p7 Nov
Turkey — Turkey and Soviet Union seek bids for Turkish portion of USSR — Turkey gas pipeline p6 Oct
Turkey — Iran and Turkey in $14 bill deal p5 Jul
Two-way radios converted to FM Micro mobiles will improve and simplify two-way network p7 Dec
Tylan (UK) Ltd — Mass flow meter and controller p31 Aug
Type G Weishaupt gas burners — High turndown on new gas burner p8 Oct

U

UK's gas resources — Long-term strategy vital for development of gas resources p3 Sep
UK Yards — Go light for success, UK yards told p4 Sep
UK on right lines to control hazardous gas installations — Mexico gas disaster shows UK 'on right road' p4 Sep
UK gas find — New UK finds replace the Sleipner contract p3 Mar
UK gas proportion rises — UK consumes less energy but gas proportion rises p4 Feb
Ulster gas dispute — Ulster gas shut-down dispute p2 Sep
Ulster Gas — Ulster gas shut-down dispute p2 Sep
Ultrafuse — Raychem uses conductive polymer to join plastic gas pipes p15 Oct
Ultrasonic thickness gauge — Ultrasonic thickness gauge p32 Sep
Ultra-violet flame detector — Detecting uv radiation in high-risk premises
Ulster gas industry — Ulster gas industry could be revived p9 Jun
US Energy Department — Two-year project on Eastern USA shale deposits p9 Feb
Using energy efficiently — Using energy efficiently: The ways and means p12, 13, 15 Dec
Uncertainties over world oil — Gas propects flare as doubts over oil grow p6 Nov
Union Oil Company — Thailand doubles gas supply p6 Feb
Union Oil Co — Union Oil install 12th well platform in Erawan gas field p8 Aug
Union Texas Pakistan Inc — Gas discovered at Sonro p6 Oct
Union Oil Company — Big Thai platform planned for 1985 p7 Feb
Utilicorp United will purchase HNG/InterNorth's Peoples Natural Gas Company division — Houston Natural Gas/InteNorth p6 Oct

V

Valve box and manhole cover locator — Locator puts covers in place p10 Dec
Valves and Manifolds — Range of miniature valves and manifolds p35 Jan
Valve Catalogue — Valve Catalogue p24 May
Vane-type rotary unit — Vane-type actuator p26 Feb
Vegin — Vegin fights rise p4 Jan
Velan Engineering Co Ltd publish valve data sheets — Bonnetless Valves p33 Dec
Victualic Co — Designs to cut repair times — Leakage control p31 Dec
Victualic Co plc — S&L aims to consolidate leading pipe producer role p32 Jul
Victualic Company — Corrugasket p32 Jan
Viessmann — Combining Comfort and Economy p29 Mar
Virax — Turbo for pipe threads p27 Feb
Viscometers — 54-page report p32 Jan
VO Offshore, John Brown subsidiary — £3m study for ESSO on West of Shetlands deepwater integrated production system p9 Jul
Vortex shedding meter — New meter sheds old measuring limitations p14 Oct
Vulcana Gas Appliances — Government factory heat savings claim place for Gementry p29 Oct

W

Wales Gas — A Welsh riddle speeds up backfill sieving operations p5 Jan
Ward, T W Industrial Plant Ltd — Modulating monitor controls boiler feed water p34 Jan
Wales Gas — Computer-swap operation for all Wales Gas data p29 Oct
Wales Gas estimated £150 mill loss from miners' strike p18, 19 Aug
Wales Gas — Internal sealing chosen for 24-inch cast-iron main p12 Jun
Wales Gas — Self-contained engineering vans for Welsh crews p26 Apr
Water Jet abrasion treatment — Water jet abrasion treatment can improve the life of welded joints p8 Dec
Wavin Industrial Products — Electrofusion fittings ease repair work on mdpe gas pipe p9 Nov
Wavin Industrial Products — Wavin distributors p4 Aug
Wavin Industrial Plastics — Wavin reorganisation brings Company closer to the user p16, 17, 18 Jul
Warwick's oldest gasworks building — Ye Olde Worlde Goode Daye, The Battison View p33 Jun
Wasted Fuel — Why does government pay for fuel that is to be wasted? — NGCC Forum p28 Apr
Wavin Industrial Products — Wavin Gas appoint suppliers p4 Mar
Wavin Industrial Products — UK supplier wins £1m Cairo deal p50 Nov
Wavin Plastics — Fusion Plastics offers "the biggest electrofusion range" p31 Jul
Wayman, Malcolm — ERS computer quickly selects optimum pipelaying methods p10, 11, 12 Feb
WC20 Wiring Centre — CM Control p38 Jun
Weishaupt (UK) Ltd — High turn-down on new gas burner p8 Oct
Welding Institute — Six welding books p24 May
Welding Units (UK) — Energised Connector now in the UK p34 Jul
Welding Institute — Welding lists p35 Sep
Welding Institute — Water Jet abrasion treatment can improve the life of welded joints p8 Dec
Welding Institute — Weldability p33 Dec
Welding Institute — Robotic welding p30 Mar
West Midlands Gas — Surveyor's Guild presents plaque p28 Sep
Westinghouse Brakes — Boiler house automation puts the brake on fuel and staff costs p13 Jun
Westinghouse Electric — Gem of a control! p27 May
Westinghouse Systems Ltd — NT Plans new grid control p2 Jan
Westfield explosion — Westfield explosion: HSE investigates cause p4 Apr
Westcoast Transmission — Subsidiary sold p5 Apr
West Midlands Gas — New record achieved by the West Midlands p26 Apr
West Midlands Gas — WMG launches shower campaign p20 Mar
Wheeler, Brian — ICS aims for heights with Pegasus Software p12 Apr
Wilford Plastics — Wavin distributor p4 Aug
Wilga Park one well — Wilga Park in New South Wales, Australia, marks first discovery in State's Gunnedah Basin p5 Dec
Williamson, TD Ltd — Hot tapping experience counts as much as the hardware p18 Nov
Williamson, TD Inc — Ultrasonic device being developed to detect flows in butt-fusion joints p9 Dec
Women's Gas Federation and Young Homemakers — IGE Annual General Meeting p10, 11, 12 Jul
Women's Gas Federation — Life begins at fifty — The Battison View p24 Apr
Woodada gas field — Woodada gets 5 months more p5 Apr
World Gas Conference, Munich — 16th World Gas Conference 1985 p10, 11, 12 Aug
World Gas Conference, Munich — Munich attracts record turnout of delegates and exhibitors p26, 27, 30 Jun

Z

Zanoflash Beacon — Zenon beacon has higher peak flash luminance p33 Sep

AUTHOR INDEX

Ackland, David — Customer Service wins award for its contribution to TV p24 Feb
Aldred, Carolyn — Busy exporting times ahead for Peart-Pass pipeline products p16, 17 Mar
Andrew, Robert — Denmark grapples with hurdles to reach 1987 growth targets p12, 13 May

Banks, George — Government only has words for gas safety — Corgi p17 Jan
Barker, Professor Colin — University of Tulsa — Improved analysis for detection of 'deep subducted' methane gas p12 Nov
Battison, Geoffrey — Making a virtue of necessity, The Battison View p23 Jul
Battison, Geoffrey — Segas: Growth continues — but there's still scope for improvement p20, 21 Jul
Battison, Geoffrey — Putney: A suitable case for treatment? p24 Sep
Battison, Geoffrey — Human investment, Battison View p20 Dec
Battison, Geoffrey — Pulling strings for the British Cooker — Battison View p20 Dec
Battison, Geoffrey — Nothing to declare p24 Sep
Battison, Geoffrey — How Emgas stay on top of today's challenges p10, 11 Apr
Battison, Geoffrey — Moving pictures p18 Mar
Battison, Geoffrey — Gas Safety — the impossible dream p18 Mar
Battison, Geoffrey — Pressing on regardless p20 Feb
Battison, Geoffrey — Verbalising Jargon Man — Battison View p36 Nov
Battison, Geoffrey — Durable research — Battison View p36 Nov
Battison, Geoffrey — Spreading the word — British is better — Battison View p36 Nov
Battison, Geoffrey — The Show-me side of gas safety p16 May
Battison, Geoffrey — Beyond the fringe p16 May
Battison, Geoffrey — The Gas Challenge p20 Aug
Battison, Geoffrey — Good foundations for new housing p20 Aug
Battison, Geoffrey — Wales Gas puts the accent on efficiency and recovery p18, 19 Aug
Battison, Geoffrey — I never knew you cared p28 Oct
Battison, Geoffrey — IGE Annual General Meeting p10, 11, 12 Jul
Battison, Geoffrey — British Gas and the 'Other Woman' — The Battison View p24 Apr
Battison, Geoffrey — Into privatisation? p33 Jun
Battison, Geoffrey — Ye Olde Worlde Goode Daye p33 Jun
Battison, Geoffrey — The right lines p33 Jun
Battison, Geoffrey— Why Northern succeeds in face of adversity p16, 17 Oct
Battison, Geoffrey — Wonderfuel value, The Battison View p26 Jan
Battison, Geoffrey — Glittering prizes, The Battison View p26 Jan
Battison, Geoffrey — The Autumn Meeting back from the brink, Battison View p26 Jan
Battison, Geoffrey — SBGI pledges to adopt higher profile for 1985 p14, 16 Jan
Black, Sheila — the best of the old with the best of the new, NGCC Forum p35 Jul
Black, Sheila — HVCA saves the day after gas fitter makes a botch-up — NGCC Forum p38 Nov
Black, Sheila — Come to us and talk, you safety conscious gasmen, NGCC Forum p31 Oct
Black, Sheila — Fuel poverty — and the cash that is readily available, NGCC Forum p22 Mar
Black, Sheila — NGCC maintains pressure for two-part tariff p18 Jan
Brown, Annabelle — Project control system has far wider capabilities for Segas p20 Sep
Brown, Annabelle — Multi-user operating plan offers expansion p21 Sep
Browning, Dennis — PIG puts 4 years' work into new pipeline book p20 Jan

Chapman, Derek — IGE involvement in EC moves nearer solution p13, 14 Jan

Evans, Robert — Evans sees blurred supplies outlook but is confident on peak demand and market growth p10, 11, 12 Jan
Ewing, Lindsay — Technical and economic benefits ensure BGC's commitment to PE p24, 25, 26 Jul

Farrer, Steve — Micro mobiles will improve and simplify two-way network p7 Dec

Hayes, David — Singapore increases piped gas supplies to homes and looks to buy Malaysia's natural gas p40, 41 Nov
Hayes, David — Indonesia's 'Five Cities' conversion will boost local gas consumption p16, 17 Dec
Hayes, David — Key programmes get go-ahead for development of Bangladesh gas fields p16, 17 Sep
Haynes, Tony — Marketing breakthrough seen as supplies rise p22 Jan
Horre, John — Electrofusion — the sooner the better says a user p28, 29 Jul
Hosker, John — Temporary enthusiasm must be converted to permanent gains, NGCC Forum p22 Feb

Kessler, Richard — Argentina invests $1.4 bill for home and export demand p14, 15 Jul
Kilpatrick, Ken — JCGA sees future role in education field p23 Jan

McSwiggan, Pam — Dublin doubles send-out while NI seeks reprieve p25 Jan
Morley, Margaret — ICS aims for heights with Pegasus Software p12 Apr
Miles, Vic — SBGI pledges to adopt higher profile for 1985 p14, 16 Jan

Ouseley, Rachel — Disconnection Code must remain on privatisation — NGCC Forum p34, Dec

Parker, Garry — AGT stands ready to supply EEC markets p12, 13 Feb
Pearce, David — BGC need light touch on brake and accelerator p23 Jan
Pechey, Roger — Wavin reorganisation brings company closer to the user p16, 17, 18 Jul
Pechey, Roger — New ideas boost productivity and safety of live insertion p10, 11, 13 Oct
Pechey, Roger — "Privatisation must free up interventionist bureaucracy" p12, 13 Sep
Pechey, Roger — Rough meets gas flow target as peak drilling phase nears p14, 15, 16 Jun
Pechey, Roger — Gard sees growing demand for electrofusion control boxes p14, 15 May
Pechey, Roger — BGC extends "Intelligent Pig" capabilities to win new users p8, 9, 10, 11 May
Pechey, Roger — Phase one costs £1,200 mill and 13,000 kms more will go by 1990 p10, 11, 13 Mar
Picton, Iain — How much power for Britain's new mega-monopoly p34 Sep

Seccombe, John — Low-cost control methods will cut £40m annual leakage bill p28, 29 Dec
Shannon Dr, Ernest — BGC extends "Intelligent pig" capabilities to win new users p8, 9, 10, 11 May
Stephenson, Jocelyn H — Act now on dangerous cookers! — NGCC Forum p23 Aug
Stephenson, Jocelyn H — Second-hand cookers knock industry reputation p33 Jan

Timmins, John — BGE studies supply options while boosting gas outlets p15, 16 Nov
Timmins, John — Dublin Gas sees return to profit by '86 but rejigs business planning p16, 17 Aug
Tompsett, D M — Immediate Business Systems — Do gas bills benefit the Treasury or BGC? p18 Nov

Warren, Rob — Busy exporting times ahead for Peart-Pass pipeline products p16, 17 Mar
Winward, John — Temporary enthusiasm must be converted to permanent gains, NGCC Forum p22 Feb
